CONGRATULATIONS LARRY AND BRIAN!!!

We would like to personally thank all of the CDC members who participated and made this event a huge success. The numbers were up from last years event which means we are continuing to grow as a club, which is our ultimate goal! So spread the word out there about what a great time was had by all that attended and we look forward to the next event to be an even bigger success with lots of free money to give back to the darters of the Cleveland Darter Club.

Thanks also to everyone who donated food items. We can be proud that the CDC made a difference in the life of someone less fortunate this holiday season. We can also be proud that we continue to be a NON-PROFIT organization who is committed to giving back to our darters as we have proven with many events like this doubles tournament- and we look forward to doing much more in the future .

We look forward to seeing everyone at the Team Tournament at the end of the Winter League 2010!! We hope everyone has a Safe, Warm and Wonderful Holiday Season with your Friends and Families!!!

Thanks, **Jon London- Doubles Tournament Director & Missy London-League Manager**
